

Take the Highway Safety CHALLENGE! Do your part to help prevent highway fatalities by:

- Buckling up
- Avoiding distractions
- Sharing the road
- Obeying speed limits
- Driving drug-and-alcohol free

For more information on the Virginia Highway Safety Challenge and ways to avoid becoming Virginia's next traffic fatality, visit www.safeVAhighways.org.

Hot Spots for the Fredericksburg Region August 15 – August 21, 2010

Stafford County

Route 630 Bridge over CSX Railway (On-going Construction Project)

Monday – Friday; motorists should be alert to construction equipment entering and exiting Rt. 630 at the bridge over the CSX tracks. The bridge replacement project is expected to be complete in September 2011.

Route 610 (Garrisonville Road) - Ongoing Construction Project

Monday– Friday; motorists are reminded that eastbound traffic has been shifted to temporary travel lanes on Rt. 610 near Joshua Road. Be alert when traveling this active work zone; construction crews and equipment are entering and exiting the roadway. This is in connection with the Route 610 widening project.

Spotsylvania County

Interstate 95

Sunday – Thursday, 9 p.m. – 4:30 a.m.; crews continue milling and paving on I-95 north between mile markers 122 to 125 located between Exit 118 (Rt. 606/Thornburg) and Exit 126 (Rt. 1/Spotsylvania). Motorists will be restricted to one lane in the work zone. Expect delays.

Monday – Friday, crews are replacing the continuous traffic counters on I-95 south located just south of Exit 126 (Rt. 1/Spotsylvania). Motorists should expect periodic day and night time lane and shoulder closures in this area between the following hours:

- Tuesday – Thursday, 8 p.m. – 4:30 a.m.
- Wednesday – Thursday, 8:30 a.m. – 3:30 p.m.
- Friday, 8 a.m. – noon

Route 1

Sunday – Thursday, 8 p.m. – 5 a.m.; crews continue milling and paving on Route 1 north between Massaponax High School and Massaponax Church Road. Motorists will be restricted one lane in the work zone. Expect delays.

Route 639 (Salem Church Road)

Sunday – Thursday, 8 p.m. – 5 a.m.; crews will be trenching along the shoulder and paving on Route 639 between Harrison Road and General Semmes Road located just south of Route 3. Motorists will be restricted to one lane in the work zone.

Towles Mill Road (On-going Construction Project)

Towles Mill Road is closed to through traffic at Glebe Run. Crews are replacing the existing drainage pipe with a concrete box culvert. The road will be closed until mid August. Motorists should use Rt. 648, Rt. 738 and Rt. 614 as a detour around the work zone. This work is in connection with the Towles Mill Road Improvement Project.

Spotsylvania County - continued

Route 208 (Spotsylvania County Bypass Project Phase II) (Ongoing Construction Project)

Motorists should be alert to construction crews and equipment entering and exiting Rt. 208 from just west of the TA River to just east of the PO River near Lake Anna. Phase II of the Spotsylvania Courthouse Bypass Project is expected to be complete in February 2013.

Caroline County

Interstate 95

Sunday, 10 p.m. – 5 a.m.; **Monday – Thursday**, 6 p.m. – 5 a.m.; crews continue milling and paving on I-95 north between mile markers 106 and 108 located between Exit 104 (Rt. 207/Carmel Church) and Exit 110 (Rt. 639/Ladysmith). Motorists will be restricted to one lane in the work zone.

Monday – Thursday, 10 a.m. – 8 p.m.; crews will be replacing guardrail on both north and southbound I-95 between Exit 110 (Rt. 639/Ladysmith) and the Hanover County line. All travel lanes will remain open to traffic.

Route 605 (Paige Road) – Ongoing Construction Project

Motorists are reminded that Route 605 (Paige Road) is closed to through traffic until October 2010. VDOT is replacing the deck on the bridge over the Mattaponi River. Route 638, Route 626 and Route 609 are the designated detour routes for through traffic. Residents will be allowed access to their homes at all times.

King George County

Route 207/652 (On-going Construction Project)

Crews continue work to improve the Rt. 207/Rt. 652 at the I-95 Interchange. Motorists should be alert to construction crews, equipment and traffic pattern changes. Traffic is currently restricted to one lane in each direction on Rt. 207 and motorists are experiencing delays especially during the morning and evening rush hours. This traffic pattern will remain in place until late August. The project is expected to be complete by November 2011.

City of Fredericksburg

Kenmore Avenue

Motorists are reminded that crews continue work to replace the sewer lines near the intersection of Kenmore Avenue and William Street. Motorists should use the most convenient alternate route or follow the detour signs.
